## NOVEMBER 2024

## Administrator's Corner

**November is a month of giving thanks.** I am especially thankful for the team members I work with each day. I am also very thankful for our residents and family members who have chosen to have Falls River be their home. Each of our buildings will have a **"Thankful" Tree open to residents and family members.** If you are thankful for someone or a department, please write on the leaf to be displayed on the tree.

**On Thursday, November 21st,** we will be hosting a wonderful **Let's Give Thanks Dinner for our residents and families.** An invitation is being sent to families to sign up to attend. We would love to be able to invite many; however, we are holding it to 2 guests per resident.

On Monday, November 11th, we will be **honoring and thanking our residents who have served our country.** We will be having a Veterans Parade.

Our Forget Me Not Support Group has started and was a great turnout. The next meeting is being held on **November 13th, 9:30 am, at Falls River Village Gallery Room.** This support group is where you can openly and confidentially share the challenges you experience as a caregiver.

## Transportation News

Transportation to medical appointments can be scheduled by contacting our Concierge Desk at (919) 844-9747.

Appointments need to be scheduled on Tuesday, Wednesday or Thursday from 9:00am to 3:00pm. **Monday and Fridays** will be for emergency appointments only. **Please provide us with 72-hour advanced notice.**

2024

Maintenance  
Requests

Hi, my name is Joseph DeWeese, your Director of Maintenance. I am new to Falls River Village & Court, but I have years of experience in the assisted living community. I serve your maintenance needs. I would like to share the best way to submit a work order/service request. Contact the concierge desk or send me an email. [jdeweese@tarantino.com](mailto:jdeweese@tarantino.com)

Keep It Cozy  
Inside

As the temperature outside falls, keep your heater in tip-top shape. **The trick:** Maintain your air conditioner and heater year-round. Make sure not to block vents with furniture or decor. Also, dust all vents at least once a week. Working for your heater will keep it working properly for you.

“Many people will walk in and out of your life, but only true friends will leave footprints in your heart.”  
—Eleanor Roosevelt
