## Administrator's Corner

### Transportation News

Transportation to medical appointments can be scheduled by contacting our Concierge at (919) 844-9747.

Appointments need to be scheduled on Tuesday, Wednesday or Thursday 9:00am to 3:00pm. **Monday and Friday will be for emergency appointments only.** Please provide us with a 72-hour advanced notice.

### Berry Popular

Cranberries have been a tradition at the Thanksgiving table since the first feast in 1621. Native Americans taught early colonists that these wild fruits were a valuable food and a healing remedy, using them to treat wounds. These days, about 80 million pounds of the berries will be consumed during the holiday week alone.

**November is a month of giving Thanks.** I am especially thankful for the team members I work with each day. I am also very thankful for our residents and family members who have chosen to have Falls River be there home. Each of our buildings will have a **"Thankful" Tree open to residents and family members.** If you are thankful for someone or a department, please write on the leaf to be displayed on the tree.

**On Wednesday, November 20th,** we will be hosting a wonderful **Let's Give Thanks Dinner for our residents and families.** An invitation is being sent to families to sign up to attend. We would love to be able to invite many, however, we are holding it to 2 guests per resident.

On Monday, November 11th, we will be **honoring and thanking our residents who have served our country.** We will be having a Veterans Parade.

Our Forget Me Not Support Group has started and was a great turnout. The next meeting is being held on **November 13th at 9:30am at Falls River Village Gallery Room.** This support group is where you can openly and confidentially share the challenges you experience as a caregiver.

Maintenance  
Requests

Hi, my name is Joseph DeWeese, your Director of Maintenance. I am new to Falls River Village & Court, but I have years of experience in the assisted living community. To best serve your maintenance needs, I would like to share the best way to submit a work order or service request. Contact the concierge desk or send me an email.

Thanks to Our  
Maintenance  
Team

We call on them to fix up our community inside and out, and they help keep our facility running smoothly every day. Our maintenance staff works hard behind the scenes, but we'd like to put them front and center and tell them "Thank you for all you do!"
